Allows the alcohol and tobacco commission (commission) to issue ten three-way, two-way, or one-way alcoholic beverage permits to restaurants located: (1) in a historic district in a city or town; or (2) not more than 500 feet from the historic district; if the historic district meets certain requirements. Provides that an applicant is not eligible for a permit if, less than two (2) years before the date of the application, the applicant sold a retailer's permit that was subject to a quota for premises within the historic district or within 500 feet of the district. Prohibits a permit issued under these provisions from being transferred. Requires the commission to consider the recommendation of the municipal legislative body in issuing a permit, but does not require the commission to follow the recommendation of the municipal legislative body in issuing the permit. **(This conference committee report: (1) removes a provision requiring a fee of \$6,000 for an initial permit issued to premises within the historic district or 500 feet from the historic district; (2) requires the municipal legislative body to recommend sites to the commission that are eligible to be permit premises; (3) requires the commission to consider the recommendation of the municipal legislative body, but does not require the commission to follow the recommendation of the municipal legislative body in issuing a permit; and (4) provides that an applicant is not eligible for a permit if, less than two (2) years before the date of the application, the applicant sold a retailer's permit that was subject to a quota for premises within the historic district or within 500 feet of the district.)**
